

Take a step towards a more impactful future! Wellbeing services county of North Savo supports you in your research and innovation activities.

Research Services Center supports research in the Wellbeing services county of North Savo.

We offer advice, training and practical support for research permits, statistics, funding applications and research ethics issues to support researchers.

tiedepalvelukeskus@pshyvinvointialue.fi

Clinical Trial Office (CTO)

The CTO coordinates fee-based contract research for companies in the Wellbeing services county of North Savo and supports researchers alongside Research Services Center. We facilitate the contact, implementation and administration of external clinical trials.

CTOPohjois-Savo@pshyvinvointialue.fi

Research Advancement and Funding Office (RAFO)

RAFO provides researchers services related to planning and applying for research funding. Together with the Research Services Center, we assist our researchers in all stages of applying for research funding and manage the processes related to research funding in our welfare region.

Senior specialist Mikael Turunen:

Promoting innovation

We are developing a clear operating model for identifying, evaluating and promoting innovations. The aim is to create a low-threshold channel for presenting ideas and a transparent processing procedure.

Project Manager Vesa Janhunen:
